GOALS

My career goals are to continuously improve my skills and knowledge in my field and undertake challenging projects that allow me to contribute to the success of the company. Additionally, I aspire to take on leadership roles and mentor, sharing my knowledge to help them grow and develop in their careers. I also aim to establish strong relationships with colleagues, clients and partners, fostering a positive and collaborative work environment.

PROFESSIONAL EXPERIENCES

- **Assistente Tecnologico**

2022 - 2023

Milano, Italy

Currently, I work as a technology assistant in Milan. My job involves occasional contract work where I go to clients' homes and assist them with the configuration of various electronic devices. Additionally, I am skilled in mounting smart TVs to walls.

- **Storekeeper**

06/2022 - 09/2022

Hotel club Baia dei Gigli (Italy)

As a warehouse worker, my main responsibility was to receive, inspect, and organize all incoming products. I also played a crucial role in fulfilling orders by selecting the right products from inventory, packing them carefully, and ensuring that they were ready for shipment.

- **Stage Bruxelles, Belgium**

2019 -

During my internship in Brussels in the field of technology, I gained valuable experience working with a team in a fast-paced and dynamic environment. My duties included conducting research, analyzing data, and collaborating on various technology projects. I was able to develop my technical skills and also, I had the opportunity to work and learn from experts, which helped me improve, preparing me for my future career in technology.
